Assembly Utilities and Energy Committee

Support: SB 938

Mission Street Neighbors joins hundreds of other organizations around the state in urging a yes vote on SB 938 by Senator Dave Min to stop use of ratepayer funds for lobbying purposes.

Few citizens are aware of the fact that utility companies are using our money to fund their lobbying practices to force higher rates on us. SB 938, will stop this practice by imposing stiff penalties on utilities that try to use ratepayer money for political purposes. SB 938 will imposes new reporting requirements on them.

Mission Street Neighbors urges the state legislators to SB 938 to end the practice of using our money against us.

Sincerely,

Mari Eliza
